## **EDUCATION**

*Bachelor of Technology* (Electrical & Electronics) – FIRST CLASS - 2002  
Pondicherry Engineering College, Pondicherry – India

## **PERSONAL**

Multimedia is always my passion. Art of any kind fascinates me. During my college days I was the Joint secretary of Decoration committee for a period of one year. During my tenure as Joint secretary I made significant contribution in T-shirt designing, Backstage layout designs, Poster designs, Decoration etc.,

In addition to that I love listening and editing music. I have done few remixes too. My hobbies include cricket and computer games.

Nationality : Indian
